

Chef Alexandre Fabris owes his desire to become a chef to his father, a restaurateur from Burgundy, and his grandmother who was passionate about cooking.

He learned his craft alongside renowned chefs such as Jacques Lameloise, Marc Meneau and Jean-Claude Guillon.

During his travels and work at other restaurants, Alexandre developed and refined his own cuisine, enriching his art with every step.

Creative by nature, our Chef puts his finesse and delicate touch to a regional cuisine.

He is a big fan of local produce and makes it a point of honour to work with local producers and breeders.

In keeping with tradition, the menu takes inspiration from the Provencal Mediterranean area, highlighting organic vegetables from the garden.

The pleasure of sharing an experience is very much in the image of this establishment.

We wish you an enjoyable culinary journey with us.

Our gourmet restaurant is open every evening from 7.30pm to 9.30pm except Monday evening.

"Fine cuisine is when things taste the way they are"
